

Weekly Update

Good Evening, Baldwin Family,

"As a school community, our mission is for all students to graduate with a plan to pursue college, career, or military service, and to graduate with all the knowledge, skills, and habits necessary to be successful with that plan. This is what we mean by "All Means All"."

We would like to think that EVERYTHING we do at Baldwin, including extracurriculars and athletics, helps us achieve this School Mission.

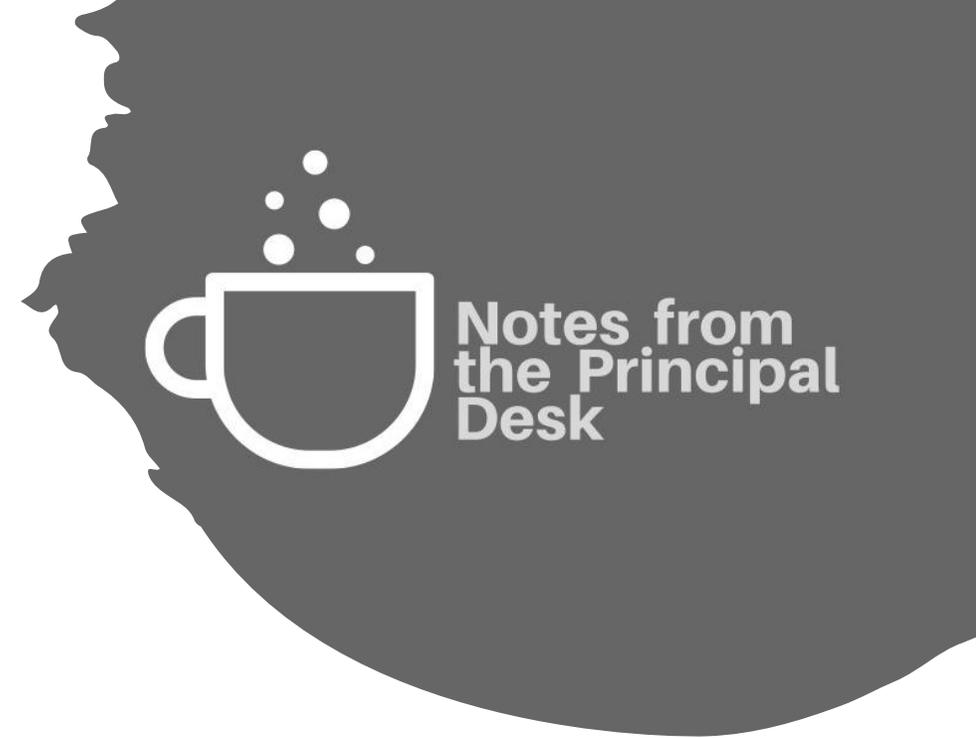

Pursuing this mission ramps up this Friday with our annual Pathfinders event. We will have representatives available to meet with high school students for all 3 major pathways. We will also have breakout sessions and a whole group discussion on the importance of social capital in achieving our plans. Students, Pathfinders is one of our most important investments in you each year.

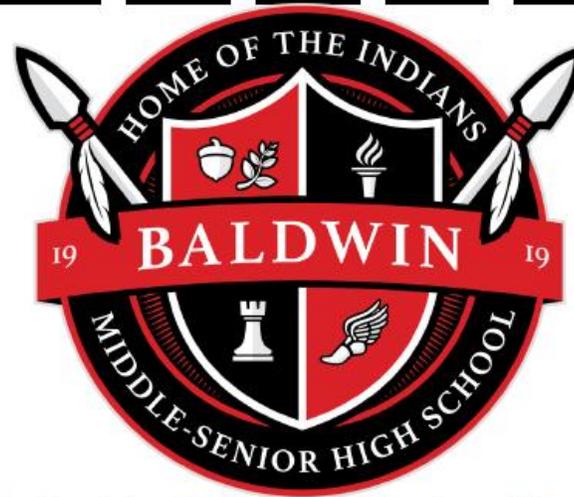

Don't worry, while middle school students won't participate in Pathfinders this year, we have something new we feel will be even more impactful. For the first time in April, we're inviting ALL middle school students and parents out to a night designed to bring parents into the conversation with their student: What is your plan after graduation? More details to follow...but parents, we need you there investing in the dream of your student.

Finally, it is the season for ALL students to meet with school counselors and select courses next year, and our hope is that course selection is driven by a real pursuit of college, career or military service. Meeting with almost 1400 students takes a LOT of time and energy, but it's the right thing to do if we want to stay committed to each student's pursuit of their own plan.

Principal Townsend

MARCH 27, 2026

5th Annual Pathfinders Event

Our High School Students will be attending Pathfinders on rotation on 3/27. 11th and 12th graders will be attending from 7:30-9:10 and 9th –10th graders attending from 9:20-10:50. This is a great opportunity for your student to talk to college admission reps, corporations, and community agencies to help them decide what path they will pursue after high school.

Celebrations

8th grade AVID participated in the AVID Summit at UNF today. We started in one of their STEM labs building a landing pad for drones. We then raced our drones through an obstacle course and had to land on the student-built landing pad. Tristan McRoy, Brody Williams and Kayden Bronson won the event. We then took a tour of the beautiful UNF campus learning about all of the offerings for Osprey students. It ended with a lunch in UNF's Osprey Cafe. (Don't ask how many ice creams cones Mr. Takach had.)

Celebrations

Working hard to make math concrete (see what we did there)! Mrs. Wrenn took advantage of some beautiful weather before Spring Break to get her students outside with some sidewalk chalk to do some geometry work. Great job, Mrs. Wrenn! #LevelUp

Celebrations

Congratulations to the FFA Agriculture Mechanics Team members Evan Watson, Elizabeth Thacker, Daytona Dougherty, Cooper Bagley and Kinsley Combs for qualifying for State competition. Special thanks to Commercial Metals Company and the local steel mill for continuing to provide welding resources for this amazing team. The week before Spring Break also meant it was TPC time, and one of our biggest fundraisers of the year for Athletics. Thank you to all the coaches & players that volunteered with concessions to earn funds for Baldwin Athletics! #CollegeCareerAndServicePrep #44SportsTeamsAndCounting

Celebrations

All of our Spring sports continue to dominate this year. On Tuesday before Spring Break, we had big wins in Varsity Baseball over Fletcher, Varsity Flag Football over Ed White, and Varsity Softball over Atlantic Coast. Forgive us for not having all the stats, but Memphis Perkins had a big pick-6, Jazzy Ramos broke school records with not 1, but 2 home run bombs, and across town, Brayden Mayers picked up a win in Tennis. Great job, Tribe! #AllMeansAll #BTownPride

Celebrations

Thank you to all the amazing high school volunteers that helped out before Spring Break at the Mamie Agnes Jones Elementary Field Day. Thank you for representing our school family so well! #BTownPride

Celebrations

Congratulations to Lacey Snider on her performance at State Auxiliary MPA this past week. She performed beautifully and ended up with a rating of Excellent! Way to go, Lacey! #WeHaveThatToo #LevelUp

Celebrations

Varsity Track keeps showing up BIG. Before Spring Break, Senior Rylie Yoachum broke her own school record in the 3200m. Then during Spring Break, we competed at the Boy Hayes Invitational with Junior Henry Harris finishing 3rd in the Long Jump and Senior Kaori Arnold finishing 7th in the 400m Hurdles. Great job! #AllMeansAll #BTownSpeed
